Dear Respected Colleagues,  
Dean or College Representative,

On behalf of the Saudi Pharmaceutical Society (SPS), we are pleased to invite your esteemed college to participate in the **8th SIPHA Clinical Skills Competition (SIPHA CSC)** for Universities, which will be held during the **“Annual Meeting of SPS | SIPHA26”** from **30 April to 02 May 2026** at **Dhahran Expo, Dammam, Saudi Arabia**.

This initiative aims to establish a dedicated forum for pharmacy students within international pharmacy meetings, and to support and promote clinical critical thinking and team-based collaboration in the provision of direct patient care.

The competition is designed for **undergraduate pharmacy students (must be interns or final-year students)** representing colleges and schools of pharmacy **worldwide**. Further details regarding eligibility, team composition, and case format are provided in the attached **participant guide**. **The competition will be conducted in English.**

**Registration:** To confirm your college’s participation, the Dean or designated college representative is kindly requested to complete and submit **Form A no later than 25 January 2026**. Please return the completed Form A by email to [SCSC@SIPHA.info](mailto:SCSC@SIPHA.info).

### **About the Saudi Pharmaceutical Society (SPS):**

The Saudi Pharmaceutical Society (SPS) is a non-profit professional organization that represents all pharmacists in Saudi Arabia. It was founded in 1988 and contributes to the planning and development of the pharmacy profession. The Honorary President is His Royal Highness Prince Fahad Bin Sultan bin Abdul-Aziz.

The SPS has achieved several accomplishments, including the establishment of the Saudi Board under the umbrella of the Saudi Commission for Health Specialties (SCFHS), as well as the Saudi Clinical Pharmacy and Hospital Pharmacy Clubs. The SPS educational program is recognized by both the SCFHS and the American Council for Pharmacy Education (ACPE).

The vision is to lead in the development of pharmaceutical care, scientific research, and medical education in the field of pharmacy in the Kingdom of Saudi Arabia. The mission is to advance education and increase awareness among medical practitioners in the fields of pharmacy and healthcare in general.

### **About SIPHA “Saudi International Pharmaceutical Science Meeting & Workshops”:**

The conference consists of three days program including various activities such as, Clinical Skills Competition, SIPHA Exhibitions, Poster Presentation, SIPHA’s networking hub, Lectures & Workshops, 1:1 Meeting, Interactive Platform, Market Master Competition, and Future Career Paths.
